USIB-D-51.3/28

17 September 1968

MEMORANDUM FOR: Executive Secretary
U. S. Intelligence Board

SUBJECT: Request for Release of NIS

REFERENCE: USIB-D-51.3/16, 3 January 1964

1. The NIS Committee recommends that USIB approve the addition of the International Military Staff, NATO Military Committee, to the list of NATO International Staffs now authorized to receive selected NIS units in accordance with paragraph 2 of referenced directive.

2. The Defense Intelligence Agency has cited a "need to know" in the attached memorandum comparable to the needs of the other NATO International Staffs now authorized to receive NIS. It is considered that recommended action would be to the net advantage of the United States.

3. USIB action on this request is required because the International Military Staff, an overall NATO military planning staff organized in 1966, did not exist when the referenced directive was approved.
